

Forgiveness is for Believers

Week 2 Study Questions- Who Is God?

This week we learned about the God who has forgiven us. Our view of God must be accurate and based on what He tells us about Himself in His word. Assuming that God is someone other than who He is is idolatry.

1. What response would you give if an unbeliever asked you who God is?

2. Is your view of God biblical and accurate? If not, how can you correct it?

Scripture tells us about God's appearance by using comparisons we are familiar with (Ezekiel 1:27-28). We can also read about God's attributes, or His characteristics, although our human minds cannot fully comprehend them. These examples help us to know what God is like.

3. Which of God's attributes is most amazing to you? Why?

We also learned that those who know God possess four qualities: great energy for Him, great thoughts of Him, great boldness for Him, and great contentment in Him.

4. Which of these four do you possess? If you lack any, pick one and pray that God will give you more passion to possess it, for His glory.

The proper study of God humbles us, expands our minds, and consoles us. This week, spend more time in God's word, studying and worshiping Him. Meditate upon the God who has saved your soul.
