New Sermon Series, Begins June 23rd

Ecclesiastes is an amazing book that records an intense search by the Preacher (Solomon) for meaning and satisfaction in life. The key word in Ecclesiastes is "vanity", the futile emptiness of trying to make sense out of life apart from God. Apart from God, life's pursuits lead only to frustration, for nothing can fill the God-shaped void in man's life except God Himself. For the true believer, when each day is viewed as a gift from God, despair melts away and life becomes eternally meaningful and truly fulfilling.

Night of Worship, June 30, 6:00 pm.

Save the date! Join us as we sing songs of praise to our Lord and Savior, and then gather for a time of fellowship and ice cream afterward.

CREATION KNOWS THEIR CREATOR

Romans 1:20 (NKJV)

20 For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse.

God has made Himself known to all of creation. There is and will be no excuse for anyone to say they did not know of the great Creator. Thankfully, we not only know of God, but we know Him, acknowledge Him, and have received salvation through Him.

God Most High, You are the great Creator and have made Yourself known through Your creation. Thank You for opening my eyes to see and my heart to believe in the One true God of my creation and salvation. Amen.
