TO GOD BE THE GLORY

1. Wisdom is better than strength
  - A poor man's wisdom is despised and ignored
2. Words of a wise man spoken quietly should be heard
3. Wisdom is better than weapons of war
  - One sinner destroys much good

Words of the wise, spoken quietly, should be heard rather than the shout of a ruler of fools.

### **ETERNAL GLORY BEYOND LIFE'S AFFLICTIONS** **2 Corinthians 4:17 (NKJV)**

17 For our light affliction, which is but for a moment, is working for us a far more exceeding and eternal weight of glory.

A Christian's pain and suffering often does not feel light. In fact, it can feel quite heavy. But, if we can keep in perspective the contrast of this short life against eternity, and the afflictions against the glory we will experience, that should give us the perseverance and hope to endure.

*God My Strength, when I am faced with the temporary afflictions in this life, help me to persevere by contemplating the weight of glory I will experience in eternal life. Amen.*

### **Tan Molina—Spain**

Tan is still in search of a permanent building for his church in Santiago de Compostela, Spain. Having a large, permanent building is critical to this growing church, so please pray that God will provide for that need.

Because the church is growing, men are being trained for leadership in a program called Project 2.2.2. Pray these men will ease some of Tan's workload. He desires to do so much, but needs wisdom in balancing his ministry work and his family.

Please also pray for the Monlina's potential visit to California in late August or early September.
